Dear Property Owner

**Re: Invitation to Attend Parks and Recreation Commission Meeting
Sanitary Sewer Collection System Phase 2**

As a resident in the Phase 2 Sanitary Sewer Collection Area, you are invited to attend the March meeting of the District's Parks and Recreation Commission. As you may be aware, in 2009 Council requested that the Commission facilitate a public information meeting to discuss the aesthetics of the Huddlestone Road lift station once the construction of the lift station was nearing completion. This meeting will be an opportunity for residents to provide input on items such as the colour of the siding on the lift station as well as discussion regarding landscaping possibilities. District staff will provide options for siding on the building as well as suggestions for landscaping that can be maintained by the District. The Commission will listen to residents' input and ultimately make a recommendation to Council.

The meeting will be held during a regularly-scheduled Parks and Recreation Commission meeting, as follows:

Date: Thursday, March 25th, 2010
Time: 4:30 p.m.
Location: District Office, 2nd Floor, 7192 Lantzville Road

If you find that you are unable to attend the meeting, written submissions will be accepted and distributed to the Commission if they are received prior to 4:00 p.m. on Thursday, March 25th, 2010. Please contact the undersigned if you have any questions regarding this meeting.

Yours truly

Donna Smith
