District of Lantzville Council Hires Chief Administrative Officer

Lantzville, BC – The District of Lantzville is pleased to announce that Council has hired Ronald Campbell as Chief Administrative Officer (CAO), effective April 10, 2017.

The role of the District of Lantzville CAO is to direct and manage the daily administration of the District, act as a liaison between Council and staff, and lead the District's employees, contract services and partners who implement Council's decisions and strategic goals, and deliver local government services to the citizens of Lantzville.

This is the type of role in which Ronald Campbell has excelled for over 30 years. He brings to Lantzville his extensive experience as a CAO in local governments from small to large and in between sized communities. His career in local government began working in municipalities in Alberta.

Mr. Campbell attained his professional designation as a Local Government Administrator at the University of Alberta and is a Queen Elizabeth II Diamond Jubilee Medal recipient for service to community and Canada.

Mayor Colin Haime stated, "We are fortunate to have such an experienced and knowledgeable CAO join the District of Lantzville. Ronald's past work indicates a strong work ethic and a focus on building relationships within the District, the community, First Nations, the private sector and other stakeholders. His workplace philosophy shows that he leads by example and has core values that support all members of the team, recognizing their strengths and valuing their input and contribution. We are excited about the innovative and entrepreneurial approach that he brings to local government management and his proven strength in team building and transforming local government corporate organizations. We welcome Ronald to Lantzville."
