That time of year again!!! Watch for the Santa Parade arriving in your neighbourhood between the time of 4:30pm-7:30pm on Saturday December 5th. The Lantzville Fire Department will be driving around in our Christmas lit up Fire Trucks through your neighbourhood with Santa Claus and Mrs Claus. Please keep your pets indoors, the kids back and a safe distance. Expect to hear sirens and Christmas music heralding Santa's arrival in your neighbourhood on December 5th. Follow Santa on the Lantzville Volunteer Firefighters Association site on Facebook to stay updated with his route. We will also have one of our Command Trucks drive ahead to give you warning for those who don't have Facebook, to come outside or to your windows to see us drive by. Please do not approach the fire trucks and remember to forewarn your household so no one is alarmed by the sirens and music. Thank you for your patience. After the parade please join us at Huddlestone Park for Hot Chocolate, Hot Dogs, Propane fires, Pictures with Santa Claus, Mrs Claus and of course the Christmas Tree lighting. On behalf of the Lantzville Fire Department and The Lantzville Rotary we want to thank you all for your support and we look forward to all the waves and smiles on all the faces as we drive by.

**Merry Christmas and Happy New Year from the Lantzville Fire Department and the Lantzville Rotary!**
