

ANNOUNCEMENT

Change to the Chief Administrative Officer role

As you all know, Glenn Morphy has been the Acting Chief Administrative Officer for several months. As of today, Glenn has reverted to the Director of Public Works. We are all grateful to Glenn for his dedication and support while he was our Acting Chief Administrative Officer.

We are pleased to announce that Sundance Topham will be joining the District of Lantzville as our Interim Chief Administrative Officer, effective October 23, 2024.

Sundance comes to us with over 15 years of experience in Corporate Administration and Local Government, having worked for the Village of Cumberland and the District of Wells in the capacities of a Chief Administrative Officer and Deputy Clerk. Most recently, Sundance was the Chief Administrative Officer for the University Neighbourhoods Association and is currently working as the Administrator for the Deep Bay Improvement District.

Sundance also has diplomas in both Local Government and Applied Communications, as well as other educational qualifications very relevant to local government.

Initially, Sundance will be working 2 days per week and will transition to full-time on November 18, 2024.

Please join us in welcoming Sundance to his new role!

Mark Swain
Mayor, on behalf of Council

Issued: October 21, 2024
