

NOTICE

TRAFFIC DETOUR DUE TO BLOOD'S CREEK CULVERT REPLACEMENT STARTING THURSDAY, SEPTEMBER 10, 2026

Lantzville Road will be CLOSED for approximately three weeks at Blood's Creek (7098 Lantzville Road) while the culvert under the road is replaced.

Starting September 10, 2026, until October 1, 2026 (estimated), **all through traffic must use Dickinson Road**. No one can pass through the work area, including residents. Ware, Wiles, Owen and Stronge Roads will stay open to local traffic on their own side.

Please follow traffic control directions, drive cautiously, and follow all signage. The detour will be in place 24 hours a day.

Please see the attached notice for a detour map and more information.

Should you require further information, please contact the District of Lantzville Public Works department via email: publicworks@lantzville.ca.

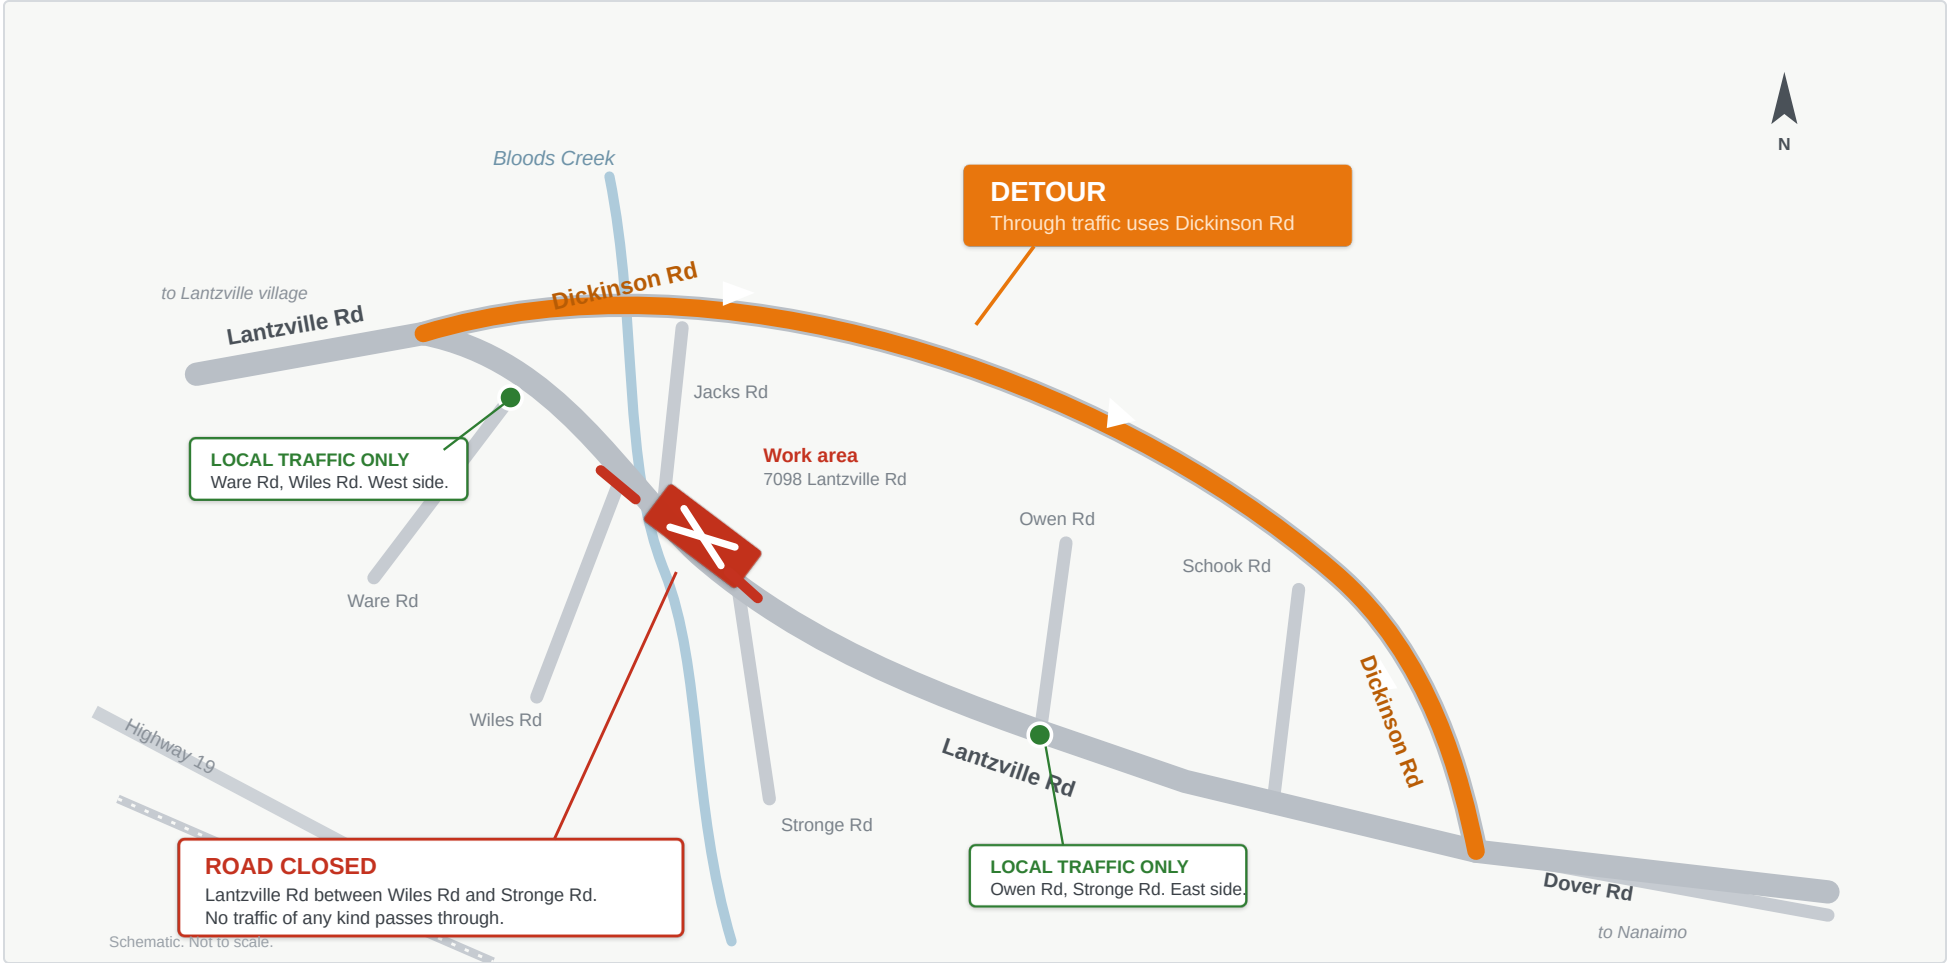

Date Issued: September 8, 2026

Lantzville Road Closure and Detour

Bloods Creek culvert replacement, at 7098 Lantzville Road

CLOSURE BEGINS
Thursday, September 10
Approximately three weeks, weather permitting

WHAT IS HAPPENING

Lantzville Road is closed at Bloods Creek while the culvert under the road is replaced. Through traffic must use Dickinson Road.

GETTING TO YOUR PROPERTY

No one passes through the work area, including residents. You can reach your property, but only from your own side of the closure.

East of the creek: come and go by Dickinson Road. **West of the creek:** use Lantzville Road from the village.

Ware, Wiles, Owen and Stronge Roads stay open to local traffic on their own side.

THROUGH TRAFFIC

From Nanaimo or the east: turn onto Dickinson Road and follow the signed detour.

From the village or the west: use Dickinson Road. Wiles Road is not a detour route.

Access to 7098 Lantzville Road is arranged on site with traffic control. Emergency services have been notified and access is maintained.

MAP KEY

- Signed detour** via Dickinson Road
- Road closed**, no way through
- Local traffic only**, from that side
- Roads open as normal
