

## NOTICE

# Huddlestone Park Closure Extended Until Friday, April 10, 2026

Huddlestone Park has been closed for the last couple of weeks to facilitate park construction and upgrades.

The closure has been extended until Friday, April 10, to conduct hydro-seeding of the grassed areas that were impacted by the construction process.

The closure includes all parts of the park including the playground, picnic pavilion, washrooms, and parking lot.

The Huddlestone Park closure is in effect 7 days a week, 24 hours a day.

For more information about the park upgrades, please see our recent media release, "[Lantzville Awarded Funding to Support Accessibility Improvements at Huddlestone Park](#)"
