## **CONSTRUCTION NOTICE TO RESIDENTS**

Project: Lantzville Culvert Replacements – Blood Creek  
Location: Lantzville Road / Alger Road  
Duration: Alger Start Date – August 01, 2026  
Lantzville Start Date – August 15, 2026  
Expected Completion – September 30, 2026

Dear Resident,

Please be advised that construction work will be taking place in your area as part of the above project. This work is being completed to improve local infrastructure and may result in temporary disruptions.

### **What to Expect**

- Increased noise levels during working hours
- Presence of construction equipment and crews
- Temporary traffic delays or lane closures
- Possible restricted access to driveways (short durations only)
- Dust and vibration associated with construction activities

### **Working Hours**

Monday to Friday: 7:00 AM – 7:00 PM

### **Access & Safety**

All efforts will be made to always maintain access to properties however, short delays may occur. Please follow all posted signage and directions from flaggers for your safety. Emergency access will be maintained at all times or will be directed through detours.

We appreciate your patience and cooperation while we complete this important work.

Sincerely,

Austin Baillie  
Project Superintendent
