# District of Lantzville Community Input Survey

Survey Deadline: Tuesday, March 13, 2018

## 2018 Huddlestone Park Playground Replacement Project

Due to its age, condition and safety concerns, the District of Lantzville plans to remove and replace the Huddlestone Park playground equipment in 2018 to ensure it remains a fun and safe place to play. The Parks and Recreation Commission is seeking input from the community and Huddlestone Park visitors. We want to hear from big kids (community adults) and little kids (community children)! So far we've consulted with playground experts: some of our local school students! Now **WE NEED YOUR INPUT!**
