

District of Lantzville

Incorporated June 2003

Policy No.: 3005 -1

Date of Implementation: February 10, 2016

Council Resolution: C16-17

Accepting one development permit application for multiple property owners

Purpose

To provide a policy that allows for the District of Lantzville Staff to accept one development permit application for multiple properties.

Policy

The District of Lantzville Staff may accept one application for multiple properties provided all of the following criteria are met:

- a. The parcels are contiguous;
- b. There is one agent representing all the property owners;
- c. The proposed development is the same for all parcels;
- d. There are no variances being requested; and
- e. The required professional reports are based on all parcels – not separate reports for each parcel.
