## Does Improvement of the Village Commercial Core Interest You?

The Village Commercial Core Improvement Plan Committee has been meeting through the fall to discuss preliminary opportunities for improvements to circulation, beautification, land use and urban design in the village core area. **The committee would like to extend an invitation to residents to come join their meeting on Tuesday, January 21<sup>st</sup>**, which will be held at 5:30 pm at the District office, 7192 Lantzville Road.

While meetings are always open to the public, we invite residents to come and actively participate in reviewing a vision statement and generating ideas at the January meeting. Permits must be approved by the Fire Chief and certain conditions may apply. If you are approved for a fireworks permit please remember it is important to tell your neighbours when and where the fireworks will be discharged. **Due to the District office closure, those residents who wish to set off fireworks on New Year's Eve must apply for their permit no later than Monday, December 16.**
