- 4<sup>th</sup> – October, November and December

2. The sewer charges are due and payable upon receipt and are overdue thirty (30) days thereafter.
3. Any such charge remaining unpaid thirty (30) days after the accounts are due and payable shall have a penalty added thereto in the amount of ten percent (10%) of the amount of the unpaid charge. Bills, in all cases will be mailed to the registered owner of the property to which the sewer bill applies, and the owner shall be responsible for payment thereof.

Despite the foregoing, the ten (10) % penalty shall not be imposed under this Section on unpaid sewer charges for the first two quarterly billing periods in the calendar year 2020, being those from January 1, 2020 to March 31, 2020, and from April 1, 2020 through June 30, 2020.

4. All payments received will be applied firstly against arrears and then to current balances.
5. In the case of a connection being made during any year, the charge imposed shall begin with the month during which the final inspection of the sewer connection was made, if made on or before the fifteenth (15<sup>th</sup>) day of the month, the full monthly rate shall be charged, otherwise the charge shall commence on the month following.
6. Any such charge remaining unpaid on the thirty-first day of December in each year shall be deemed to be taxes in arrears in respect of the property of which the consumer dwells and shall be forthwith entered on the real property tax roll by the Director of Financial Services as taxes in arrears.
