SCHEDULE "C"
WATER RESTRICTION STAGES

A. Special Watering Permits

- i. A person who has installed a new lawn, either newly seeded or new sod, may apply to the Director for a permit, which will allow the new lawn to be sprinkled outside of permitted days. The permit shall be conspicuously displayed at the premises for which it is issued.
- ii. New sod or newly seeded lawn may be sprinkled for 14 days after installation, provided a permit has been issued for the premises at which the new lawn has been installed.
- iii. After expiration of a permit, a person may apply for and may obtain subsequent permits.
- iv. Permits will not be issued or be valid during the Water Restriction Level 3 and 4 restrictions.

B. Special Cases and Exemptions

- i. Strata developments may vary hours of use as required, with prior written permission from the Director, to accomplish maintenance and upkeep in cases where developments have all irrigation systems separately metered and can demonstrate that inadequate times exist within water restriction stages to sustain plant stock.
- ii. Nurseries, turf farms and tree farms are exempt from water restriction stages.
- iii. Car dealerships, car washes and other commercial enterprises, which require water use to facilitate normal business activities (e.g. power washing and window washing companies).
- iv. The District's water utility is exempt from restriction stages to allow for proper operations and maintenance of the water utility system.
