MEDIA RELEASE

District of Lantzville Acquires Property at 7099 Lantzville Road & 6852 Wiles Road

Lantzville, BC - The District of Lantzville has purchased properties located at 7099 Lantzville Road and 6852 Wiles Road for potential development and other potential future uses consistent with the vision of Council and our community. These purchases are a part of Council's 2023-2026 Strategic Priorities, which emphasizes preservation of Lantzville's natural assets and thoughtful development of property that is forward-thinking and be a lasting legacy for future generations.

The property has many potential development opportunities, and Council is pleased to be able to develop the property into a beautiful space for our community by potentially preserving the sensitive green space surrounding Blood's Creek.

The properties at 7099 Lantzville Road and 6852 Wiles Road were purchased for \$922,245.02 and \$324,205.06 respectively, without impacting taxes (funded from the Growing Communities Fund.)

As development opportunities are being considered, additional details will become available. The residents of Lantzville will be kept informed and public input will be considered at the appropriate times along the way.

The public is asked not to enter the property. The District is currently assessing existing liabilities and development opportunities on the property. Another official media release will be issued once public access to the property is permitted.
