## **ADDENDUM FOR**

### **NEW SINGLE AXLE 2000 IMPERIAL GALLON URBAN INTERFACE TENDER**

#### **SCHEDULE 'A' - TERMS OF REFERENCE**

##### **Addendum #1: Page 16, 2**

New Single Axle 2000 Imperial Gallon Urban Interface Tender Custom Fire Apparatus

- When referring to 'Custom Fire Apparatus', this is referencing a custom build and not based on a Custom Cab.

##### **Addendum #2: Page 16, 2.1 b**

Must meet or exceed the most up to date N.F.P.A, U.L.C. and ISO (9001) standards

- Proposals will be accepted from manufactures who are not ISO 9001 compliant.

##### **Addendum #3: Page 16, 2.1 c**

Must meet British Columbia and federal road regulations

- This must be a single axle unit with a maximum of 2000 imperial gallons meeting British Columbia and Federal road regulations. It is the preferred option not to have to permit the vehicle for operation in the Province of British Columbia.
