

Notice of Project

Lantzville Road Watermain Replacements – Peterson Road

Start: August 27th, 2018
Complete: October 11th 2018

Windley Contracting Ltd. has been contracted by the District of Lantzville to replace the watermain on Peterson Road running from Lynn Drive to Lantzville Road. Road closure will occur on Peterson Road in this area. Please detour on Harby & Leland Road to access Lantzville Road. Single alternating traffic will occur where required. Any water service interruption will be notified to residents.

Unforeseen circumstances could affect the date or duration of this installation. In case of emergency please contact the following:
