District of Lantzville, July 2026*

*For planning purposes to be used in conjunction with
Table 6.1: Pathways, July 2026 and
Table 6.2: Park Land, July 2026

Legend

Existing Pathways - shown with solid lines.
Potential, Future Pathways - shown with dashed lines.
Pathways on private properties are shown for planning purposes only
and are subject to landowner agreement.

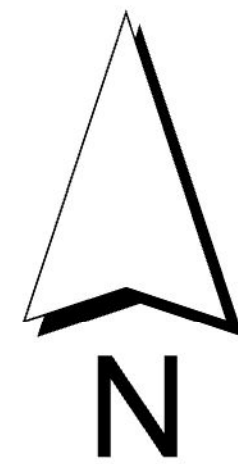

- Bike Route
- Multi-use Path
- Semi-rural Trail
- Hiking Trail
- Beach Walk
- Other

15 Project ID Number
Note: ID #'s are used to identify existing and potential
Pathways and Park Land and DO NOT indicate a project's priority.

Additional green space and Park Land **shall** be negotiated by
staff and considered by Council at the time of development. Park
Land, including trails, **shall** be considered for all developing
properties. Park Land is not limited to the locations shown on
Map A with stars. Pathways to access District Park Land must be
dedicated at time of development.
