INSTRUCTIONS TO BIDDERS

1. **Tender Closing**

Sealed Tenders clearly identified as “Tender – 5 Ton, Single Axle, Dump Truck”, made on the Form of Tender provided, together with all other documents required will be received by personnel at the District Municipal Hall addressed to:

**Director of Public Works
District of Lantzville
7192 Lantzville Road
PO Box 100
Lantzville BC V0R 2H0**

Tenders shall be submitted, in **duplicate** in a sealed envelope. **Ensure that the bidder’s name and address as well as the Tender reference are clearly shown on the outside of the envelope.**

Tenders will be received up to **2:00 pm local time, Monday, August 29, 2022.**

Tenders received after the closing time will be returned unopened.

It is the bidder’s responsibility to allow sufficient time for their agent to deliver their Tender by the time and date specified above. The bidder should instruct their delivery agent to have personnel at the District Municipal Hall time and date stamp the Tender. The District will, upon receipt of Tenders delivered by Canada Post or courier, apply their date stamp. However, the District assumes no responsibility for Tenders that are not received at the time of the specified Tender closing.

2. **Form of Tender**

Tenders must be submitted on the Form of Tender provided.

All prices and notations will be typewritten. No erasures or additions to the Tender documents are permitted. In the case of mistake in extension of price, unit price will govern. In case of mistake, the mistake will not be erased but will be crossed out with correction typewritten or written in ink adjacent thereto. Such corrections will be initialed by the authorized signing officer.

3. Specification Forms

Bidders are required to complete the specification forms provided.

Where any of the requirements listed are standard equipment on the particular equipment being tendered, this must be noted in the right-hand column opposite the appropriate items on the specification sheets.

Any deviations from the specifications shall be separately noted in the space provided on the specification sheets, with separate information required attached.

4. Prices

Prices quoted are to be delivered f.o.b. to the District plus all applicable taxes extra. Goods and Services Tax (GST) is to be shown as a separate item on the Form of Tender.

5. Oral and Facsimile Tenders

Oral or facsimile Tenders will **not** be accepted. In order to be considered, Tenders must be submitted in a sealed envelope and received by the personnel at the front desk at the District Municipal Hall, on or before the closing time, and date stated on the face of the Tender.

6. Signature Required

All Tenders must be signed in the place provided on the front page and on the Form of Tender by an officer or employee having authority to bind the bidder by his or her signature.

7. Acceptance

Tenders submitted will be irrevocable and open for acceptance for 60 (sixty) days following closing date.

The right is reserved, as the interests of the District may require, rejecting any or all Tenders and to waive any minor informality or irregularity in Tenders received. The lowest or any Tender will not necessarily be accepted. Tenders which contain qualifying conditions or otherwise fail to conform to these Tender documents may be disqualified or rejected.

The award of any contract shall be based on the evaluation of the Tenders by the District on any basis, including but not limited to the following criteria:

- a) the overall cost impact of the Tender on the operations of the District;
- b) the reputation and experience of the bidder and of the bidder's staff to be allocated to the work, the supply of the goods and services or the supply of any equipment required by this Tender;
- c) the technical credibility, financial resources, and environmental responsibility of the supplier;
- d) the District's assessment of the capability of the bidder and the bidder's staff to supply the goods, services, or equipment within the period required by the District;
- e) the best value to the District based on quality and availability of service, price, and any criteria set out herein based solely on the District's assessment of the Tender.

The bidder acknowledges and agrees that the District will not be responsible for any costs, expenses, losses, damage, or liability incurred by the bidder as a result of; or arising out of submitting a Tender for the proposed contract, or due to the District's acceptance or non-acceptance of their Tender.

8. Withdrawal

Tenders may be withdrawn by written notice only, provided such notice is received by personnel at the District Municipal Hall prior to the closing time and date set for receiving Tenders.

GENERAL CONDITIONS

1. **Award of Tender**

The contract will be awarded in accordance with the criteria set out in section 7 (Acceptance) of the Instructions to Bidders and any additional criteria set out in these General Conditions and any Special Conditions and Special Forms attached hereto.

2. **Payment**

Payment by the District will be made within 30 days after completion of the work and/or delivery of tendered equipment, receipt of invoice, and acceptance by the District. The purchased equipment will not be accepted for payment until all conditions and tendered specifications have been met.

3. **Notices**

Any notice required to be given in this contract shall be deemed to be duly given to the District if sent by registered mail addressed to the District of Lantzville, PO Box 100, Lantzville, BC, V0R 2H0 and to the contractor if sent by registered mail at the address set forth in the Tender.

4. **Ownership of Tender & Freedom of Information**

All documents submitted in response to this Tender shall become the property of the District and as such will be subject to the disclosure provisions of the *Freedom of Information and Protection of Privacy Act*.

5. **Queries**

All queries regarding the technical specification of this Tender can be made by contacting Mr. Fred Spears, Director of Public Works by phone: 250.933.2250 or by email: fspears@lantzville.ca.

SPECIAL CONDITIONS

1. **Tendered Equipment**

The tendered equipment shall be no older than the specified and of good commercial quality, treated to resist rust, corrosion and wear encountered in normal municipal works service and shall be complete with all necessary accessories for operation.

The design of the mechanical members shall be such that the stress imposed through normal shock loads at maximum engine torque shall not cause rupture or permanent deformation or undue wear on any member.

2. **Warranty**

Indicate on the Form of Tender, the length of the warranty tendered on all work, services, and equipment.

The warranty will not commence until the equipment is accepted and put into service. The District will advise the date.

3. **Parts & Service**

The successful bidder is required to provide the name of a service facility within 50 kilometers of the working location of the tendered equipment, staffed with qualified service personnel and with provisions for storing a representative supply of parts for the equipment being tendered for warranty works.

4. **Descriptive Literature & Specifications**

Bidders are required to provide a copy of the latest printed specifications and descriptive literature on the tendered equipment.

5. **Delivery**

The equipment ordered shall be delivered to the District of Lantzville, Municipal Hall, 7192 Lantzville Road, Lantzville, BC. Or an alternate location within the District as instructed by the Director of Public Works.

6. **Parts & Service Manuals**

The successful Vendor shall supply one (1) parts book, one (1) service and repair manual, one (1) operator manual and three (3) sets of keys at time of delivery of purchased equipment.
