Watch for the Santa Drive By from 5:00 pm – 7:30 pm on Sunday, December 5th as Lantzville Fire Rescue drive the fire trucks through your neighbourhood with Santa Claus! Please keep your pets indoors, the kids back a safe distance, and follow COVID limiting practices – physical distancing, masks, and stay home if ill. Expect to hear sirens and Christmas music heralding Santa's arrival in your neighbourhood on December 5th. Please to not approach the fire truck and remember to forewarn your household so no one is alarmed by the sirens. Thank you for your patience.
