Coastline Station

Project Support Form

Project Location: 7181 Lantzville Road

Project Start Date: Fall 2024

Subject: Support for the construction of Coastline Station, a Residential and Commercial Unit complex in Downtown Lantzville

Dear Residents and Business Owners,

We are pleased to present an exciting new development project that aligns with the current Lantzville Official Community Plan ("OCP") and aims to enhance the downtown core. This project will add 12 residential units and 3 commercial units, contributing to the vibrancy and economic growth of our community.

We believe this development will bring numerous benefits, including:
- New housing options not currently offered for residents.
- Enhanced business opportunities in the downtown area.
- Improved infrastructure and services.

We value the input and support of our community. By signing below, you show your support for this project. Your signature will help us move forward with the necessary steps to bring this development to life.

Thank you for your continued support and commitment to improving our community.
